Tackling poverty in and around Haverhill

We Won!!

"Well, who would have believed it? - We actually won the [Hopkins Homes Suffolk Vote!](#) That's an amazing £7000 for the Resource Centre refurbishment project! Thank you for taking the time to vote for us, it means a lot. We really didn't expect to win, but even if we hadn't, we've had such fun with the social media campaign, and so to win was a massive bonus!

Thank you also to Josh Hopkins from [Hopkins Homes](#) and Andrea Pittock from the [Suffolk Community Foundation](#) who came across to the Resource Centre to make the presentations to us and the runners up - [Ipswich Housing Action Group](#) and [Halesworth Volunteer Centre](#). Any one of the 7 charities could have won it as all are doing amazing work across the county, so thank you very much for your continued support - we really do appreciate it!"

Kind regards
